PRESENTS

ESSENTIAL COMPONENTS OF THE IEP

This interactive workshop provides participants with a description of the essential components of an Individualized Education Plan. As a result of this workshop, participants will be able to read and understand an IEP document, be able to effectively participate in IEP meetings and know how to address IEP concerns/issues in a proactive and positive way. Participants will have an opportunity to review their own IEP document and will be given tools to help them effectively participate in the development of an Individualized Education Plan.
