Dear Parent/Guardian,

School Violence Awareness Week is being observed in New Jersey public schools this week. Here at Oradell Public School, we will mark the week with daily classroom discussion on the themes of respect and kindness, by involving our students in character education activities and by a daily morning announcement highlighting the week. In addition, representatives of the Oradell Police Department will speak with our students in grades four, five and six about age appropriate themes for the week. This is yet another sign of our ongoing, positive relationship with the Oradell Police Department which serves us so well in many ways.

As always, thank you for your support and cooperation!

Very truly yours,

Mr. William Scott Ryan, Principal
