What Have We Done and What Will We Do With This Information?

■ What Have We Done?

- During September and October Professional Days, PARCC evidence statements & Linkit! Fingertip forms were analyzed to inform instruction.
- Reached out to River Edge regarding any interventions they may be using that are reaping rewards.

■ What Will We Do?

- Form B Navigator Data Meetings to identify:
 - Areas that need improvement
 - Students who are showing lower levels of growth
- Implementation for targeted intervention during after-school hours for students scoring “approaching expectations,” i.e. the students that are identified by Linkit! as “Bubble Students.”
- Continued professional development on meeting the needs of all academic learners.
