SPECIAL EDUCATION EVALUATIONS

Individualized Education Program (IEP) Criteria

All assessment instruments must be administered by an evaluator who is skilled and qualified as required by the assessment instrument. The assessment must be administered and scored in conformance with the test publisher's instructions. Assessments are to be chosen based on their relevancy to the educational question to be addressed by the IEP. All instruments must be the current edition.

Evaluation Report

A. The evaluator must prepare a written report which includes the following:

1. Student name;
2. Date of birth;
3. Current age;
4. Current grade;
5. Date(s) of testing;
6. A detailed explanation of the classroom observation;
7. A list of all information/data reviewed;
8. A list of all assessments/data conducted as part of the assessment;
9. A clear explanation of the testing and assessment results;
10. Standard scores for all assessments where standard scores are available; and
11. Evaluator's signature with date.

B. The report shall not include recommendations. Recommendations shall be considered and determined at the IEP team meeting with the input of all team members.
