

Dear Incoming Kindergarten Families,

We are delighted to announce that the Oradell Board of Education will again conduct the Schaefer Explorations Summer Enrichment Program.

One course we are very excited about, "Kindercamp," is available to your child. This voluntary program will introduce incoming kindergarteners to making choices within a structured environment. Children will work in learning centers, play educational games, create artwork, sing songs, and participate in a daily special activity. In short, this will be a great introduction to kindergarten.

Classes will commence on Monday, June 24, and continue until Friday, July 19. We will be closed on Thursday, July 4, in observance of Independence Day. Sessions will be held each morning from 9:00 to 12:00.

Class size will be limited, and applicants will be accepted on a first-come, first-served basis. Therefore, if you would like to register your child in "Kindercamp," please go [HERE](#) (or type tinyurl.com/OPSKinder24 into any browser) no later than Monday, May 6, 2024.
