

Oradell Public School Proudly Presents

Disney  
**MOANA**  
JR.

A stylized illustration for a Disney Moana Jr. production. The background is a light, textured sky with a large, golden sun in the upper right corner. In the foreground, dark, stylized waves are depicted. On the left, a traditional Polynesian outrigger canoe is shown, featuring a large, golden sail with a prominent spiral design. The overall style is reminiscent of traditional Polynesian art and Disney's Moana movie.

## SPECIAL THANKS

For this production of Moana Jr., our Oradell Public School "village" came together to give us all we needed. We extend our sincerest gratitude and heartfelt thanks to:

- The many OPS parent volunteers who shared their time and talents to make this production possible;
  - The OPS faculty and administration for their support and flexibility in sharing their time and students with us;
  - The custodial staff, who provided invaluable assistance;
  - The Oradell PTA for their generous donation of new sound equipment; and
  - Those we may have forgotten to mention. We have been amazed by the support we received each day, from auditions through our final curtain call.
